

Getting Started

Welcome to Paragon Reseller Network!

During more than 10 years of working on the IT market Paragon Software Group became the European specialist for innovative data security and data management technology with a wide range of well-known system utilities. As a result our marketing department managed to develop Paragon Reseller Network which helps you to generate new revenues and optimally meet the needs of your customers.

In 2006 Paragon Software Group in order to comply with its strategic goals released Professional, Server and Enterprise Editions of main solutions and launched Paragon Reseller Portal. This universal tool is designed to make the relations between two our companies as simple and efficient as possible. It unveils new opportunities, allows to join our affords and compete more successfully on IT market.

Please, have a look at these instructions of how to use Paragon Reseller Portal in order to develop all its possibilities and place correctly the orders thus saving time and money.

Content:

1. How to Login?
2. Reseller Portal Overview
3. How to place an order?
4. Paragon E-Service System

How to login?

Our system offers you not only order directly from Reseller on-line shop in a separate area but have access to all marketing materials and some additional product specific documentation.

You'll be able to access Reseller Portal only after our Sales Managers activate your reseller account. Once your Reseller account was activated and all login data were sent, you can access Reseller Portal and start ordering immediately.

Please, go to **Reseller Portal login page** and enter in the according field your **Reseller ID** and password you indicated in the registration form.

If you forgot your password, click "User data forgotten or unknown ?" and enter your e-mail address. The electronic system powered by Element5 will automatically send you a letter with instructions how to obtain new password.

The screenshot displays the Paragon Software Group website interface. The top navigation bar includes links for PRODUCTS, SALES, DOWNLOADS, SUPPORT, PARTNERS, and COMPANY. A left sidebar contains navigation options: For Your Home, For Your Business, For Your Success, How to Buy, Downloads, Support, News, and About company. The main content area features a 'Log-in as reseller' section with fields for 'Please enter your reseller ID:' and 'Password:', and a 'Login' button. A red box highlights the link 'User data forgotten or unknown?'. A callout bubble, shaped like a thought bubble, points to this link and contains a form titled 'Look up user data'. This form asks the user to 'Please enter the e-mail address to which your user data should be sent.' and includes an input field labeled 'E-mail address for user data' with the placeholder text 'Your e-mail address'. A 'Send login information' button is located at the bottom right of the callout form.

Reseller Portal overview

Once you are logged in, you can see your personal account interface which offers different options. As you can see on the screen shot, there are several ways of ordering products:

- 1) All products are divided into 2 categories: products for home segment and for corporate segment. From the first page you can enter directly to the category interested by clicking on "Home Products" or "Corporate Products" as show on the screen shot.
- 2) In order to move to Reseller on-line shop and choose order type, please click on "Purchase Options" (for further instructions, please, see next page)

You can find all products which are available with reduced price by clicking on "Special Offers"

Also you go to "Marketing Material" and "Documetntaion" sections for additional information and promotion tools.

- Purchase Options:** Order directly from our secure Reseller E-Shop where the prices already include your discount and download the software immediately. You will always have the option to review and verify your order before it is finally submitted to us. You can also choose whether licensing and shipping should include your or your customer's name. You can also send us the order by fax or post. Afterwards we'll draw an invoice on your name and register the product.
- Special offers:** Visit our special offer corner in order to get premium solutions with reduced prices! Visit this area permanently to be aware of all special prices for Resellers!
- Marketing Materials:** We have prepared a range of marketing materials and promotion tools to help you to better sell Paragon's solutions. If you won't find the exact tool you need, just fill in the form and we'll contact you as soon as possible.
- Documentation:** Here you can learn more about different types of license programs, download manuals, as well as our Certified Reseller Agreement if you are interested in deeper relationship.
- Submit Support Request:** Here you can learn more about additional services we offer for your clients!

Here you can order additional services for your customers

After you enter our Reseller on-line shop, you can choose whether you like to send us order by fax (post) or just order in our on-line shop, powered by Element5.

If you prefer to send us order by fax (post), please click on “Order by fax or post”, fill in the form and send us via fax: +49-7631-36042939 or post to Paragon Technologie GmbH Pearl Str. 1 79426 Buggingen, Germany.

If you prefer to place the order via our on-line shop, please choose one of the product categories and click “Home” or “Corporate” accordingly.

The screenshot shows the Paragon Software Reseller E-shop interface. On the left is a navigation menu with items: Home Products, Corporate Products, Purchase options, Marketing Materials, Documentation, and Support Services. The main content area is titled "Order by fax or post" (highlighted with a red box and line) and "Order Form". Below this is a description of ordering by fax/post. A "Show prices in:" dropdown menu is set to "US Dollar". The "Reseller E-shop" section (highlighted with a red box and line) is titled "Here you can choose one of the product categories" and includes a description of the secure Reseller E-Shop. Below this are three categories: "What's new?" (with a "New!" icon and "Recently released products!"), "Corporate" (with "Products for corporate customers"), and "Home" (with "Products for home customers"). A "Special offers" section (highlighted with a red box and line) is titled "Products with reduced prices" and features a "HURRY! Special Prices" banner. The "Additional services" section (highlighted with a red box and line) is titled "Here you can also buy some additional services" and includes the text "Here you can buy different support services as well as maintenance!". A Microsoft Gold Certified Partner logo is visible in the bottom left corner of the interface.

You can also see all our recent released products by clicking on “What’s new?”

Reseller online shop

After you entered desired product category, you can see only products which correspondent to chosen category.

At this page you can see your current discount level (as shown on the screenshot).

If you want to order just one product, please, click “Quickbuy” and you’ll be forwarded directly to Checkout Page (for further instructions, please, see chapter “Checkout Page”).

If you wish to order few products, please, click on “Add to Cart” and you’ll be forwarded to Cart Page from where there is option to continue shopping (for further instructions, please, see next page).

www.paragon-software.com/partners

Paragon Customer E-Service System

Paragon Software Group offers you and your customers personal account in our system called Paragon Customer E-service System letter (ESS). In order to use this service, please, provide your customer with User Name and Serial number indicated in the ESS letter you received after the order was placed:

If your client is not a Paragon Customer, you should first register him/her using the following link: Paragon Customers E-Service System (ESS) new customer registration form:

Registration form

As soon as your customer is registered, all registration data will be sent to his/her e-mail address.

If your client is already a Paragon customer, he/she can log in here:

Paragon Customers E-Service System (ESS) log in page

After your customer is registered and logged in, he/she can register the product by clicking on 'Manage Products', then fill in the form below and click 'Submit' button as shown on the screen shots below

The screenshot shows the 'My Account' page with a sidebar menu on the left containing options like 'Manage Products', 'LICENSING', 'SELF SUPPORT', 'SUPPORT SERVICES', 'MAINTENANCE', and 'DOWNLOADS'. The main content area is divided into several sections: 'Personal Information', 'Support services', 'Updates and Upgrades', and 'My Products'. The 'My Products' section lists registered items with columns for Product Name, Buy Date, and License. Below this is a 'Registration Card' table with columns for Product Name, Lic. Num, Serial Number, Registration Date, Buy Date, Order Number, and Shop. At the bottom, there is a registration form with fields for 'Serial Number', 'Buy Date (DD.MM.YYYY)', and 'Order Number', along with a checkbox for 'Also e-mail to customer' and 'Submit' and 'Cancel' buttons.
