THANK YOU FOR YOUR ORDER !

*** Please note:**

- Not all of our products are available as box version, please find detailed information to the available versions at: <http://www.paragon-software.com/eshop.htm>
- For box versions shipping costs will be charged.
- The download version will be registered in your customer's account and sent to your customer's email. If your customer does not have an account in our customer system yet, one will be created. Please don't forget to specify the customer's first name, last name and e-mail address in this case. The registration of the product is necessary to download updates and if technical support is required.
